

“Hold my beer.”

The Human Touch

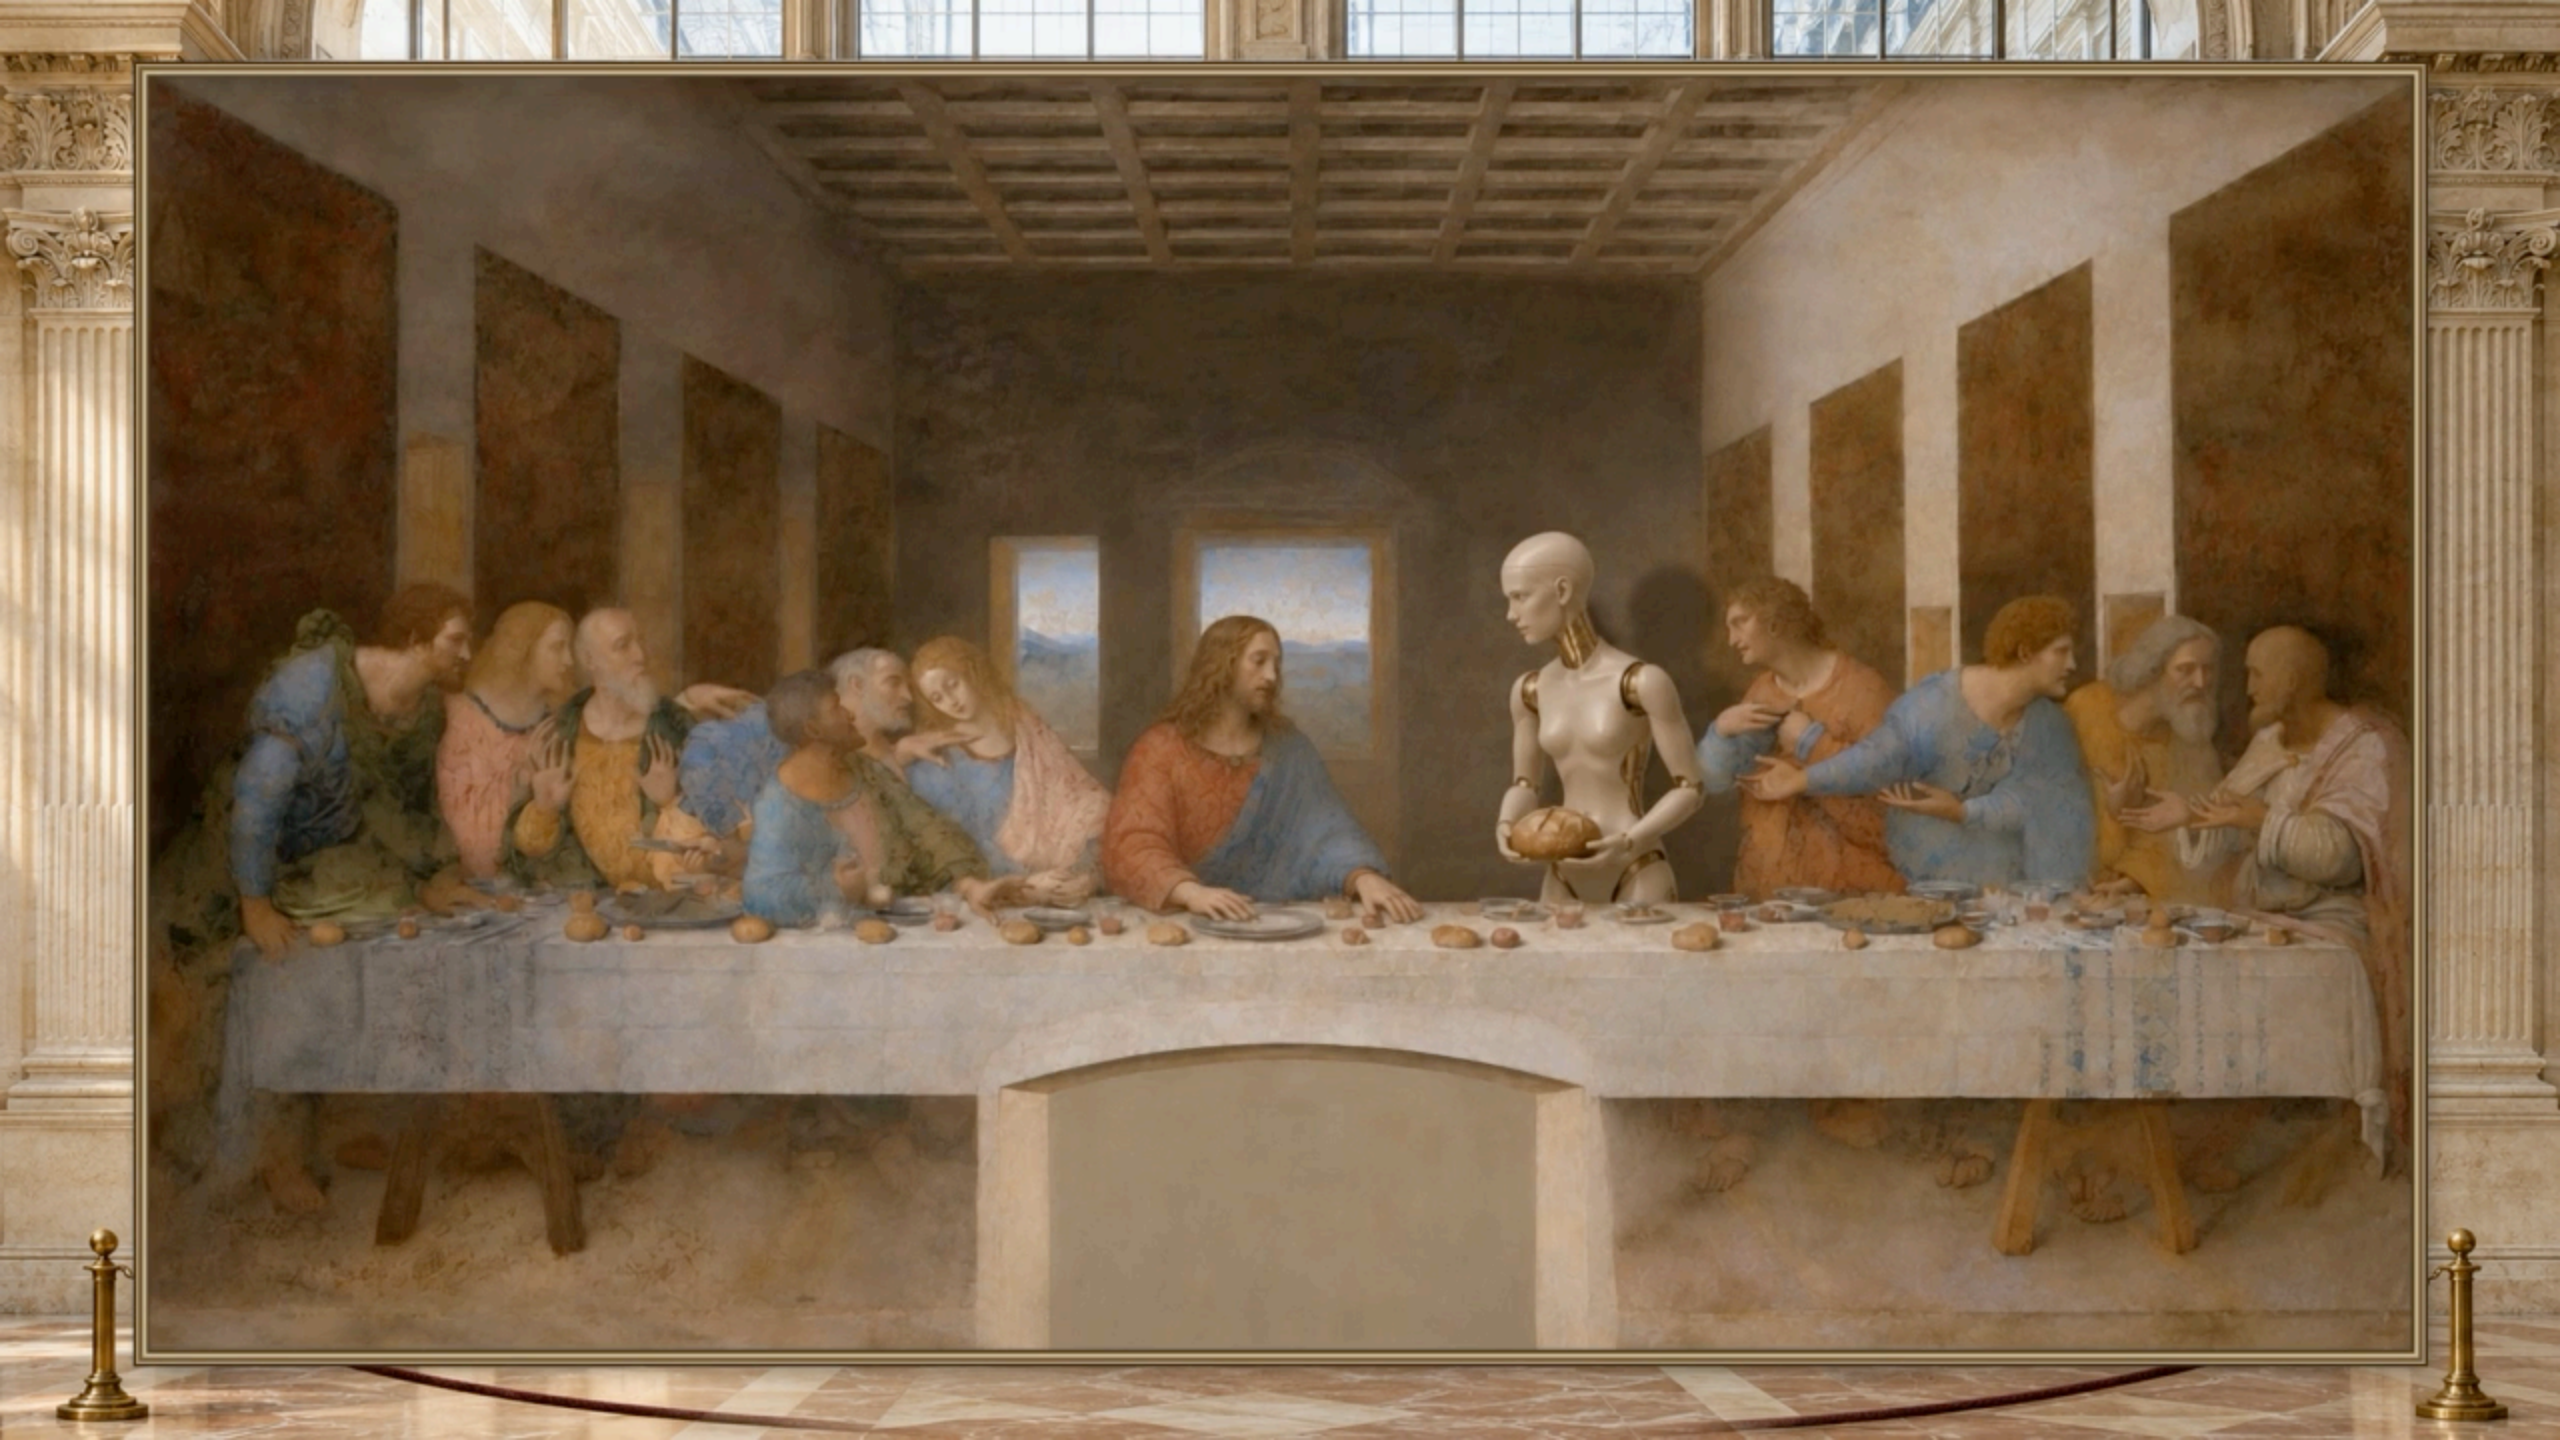

Who gives the cue?

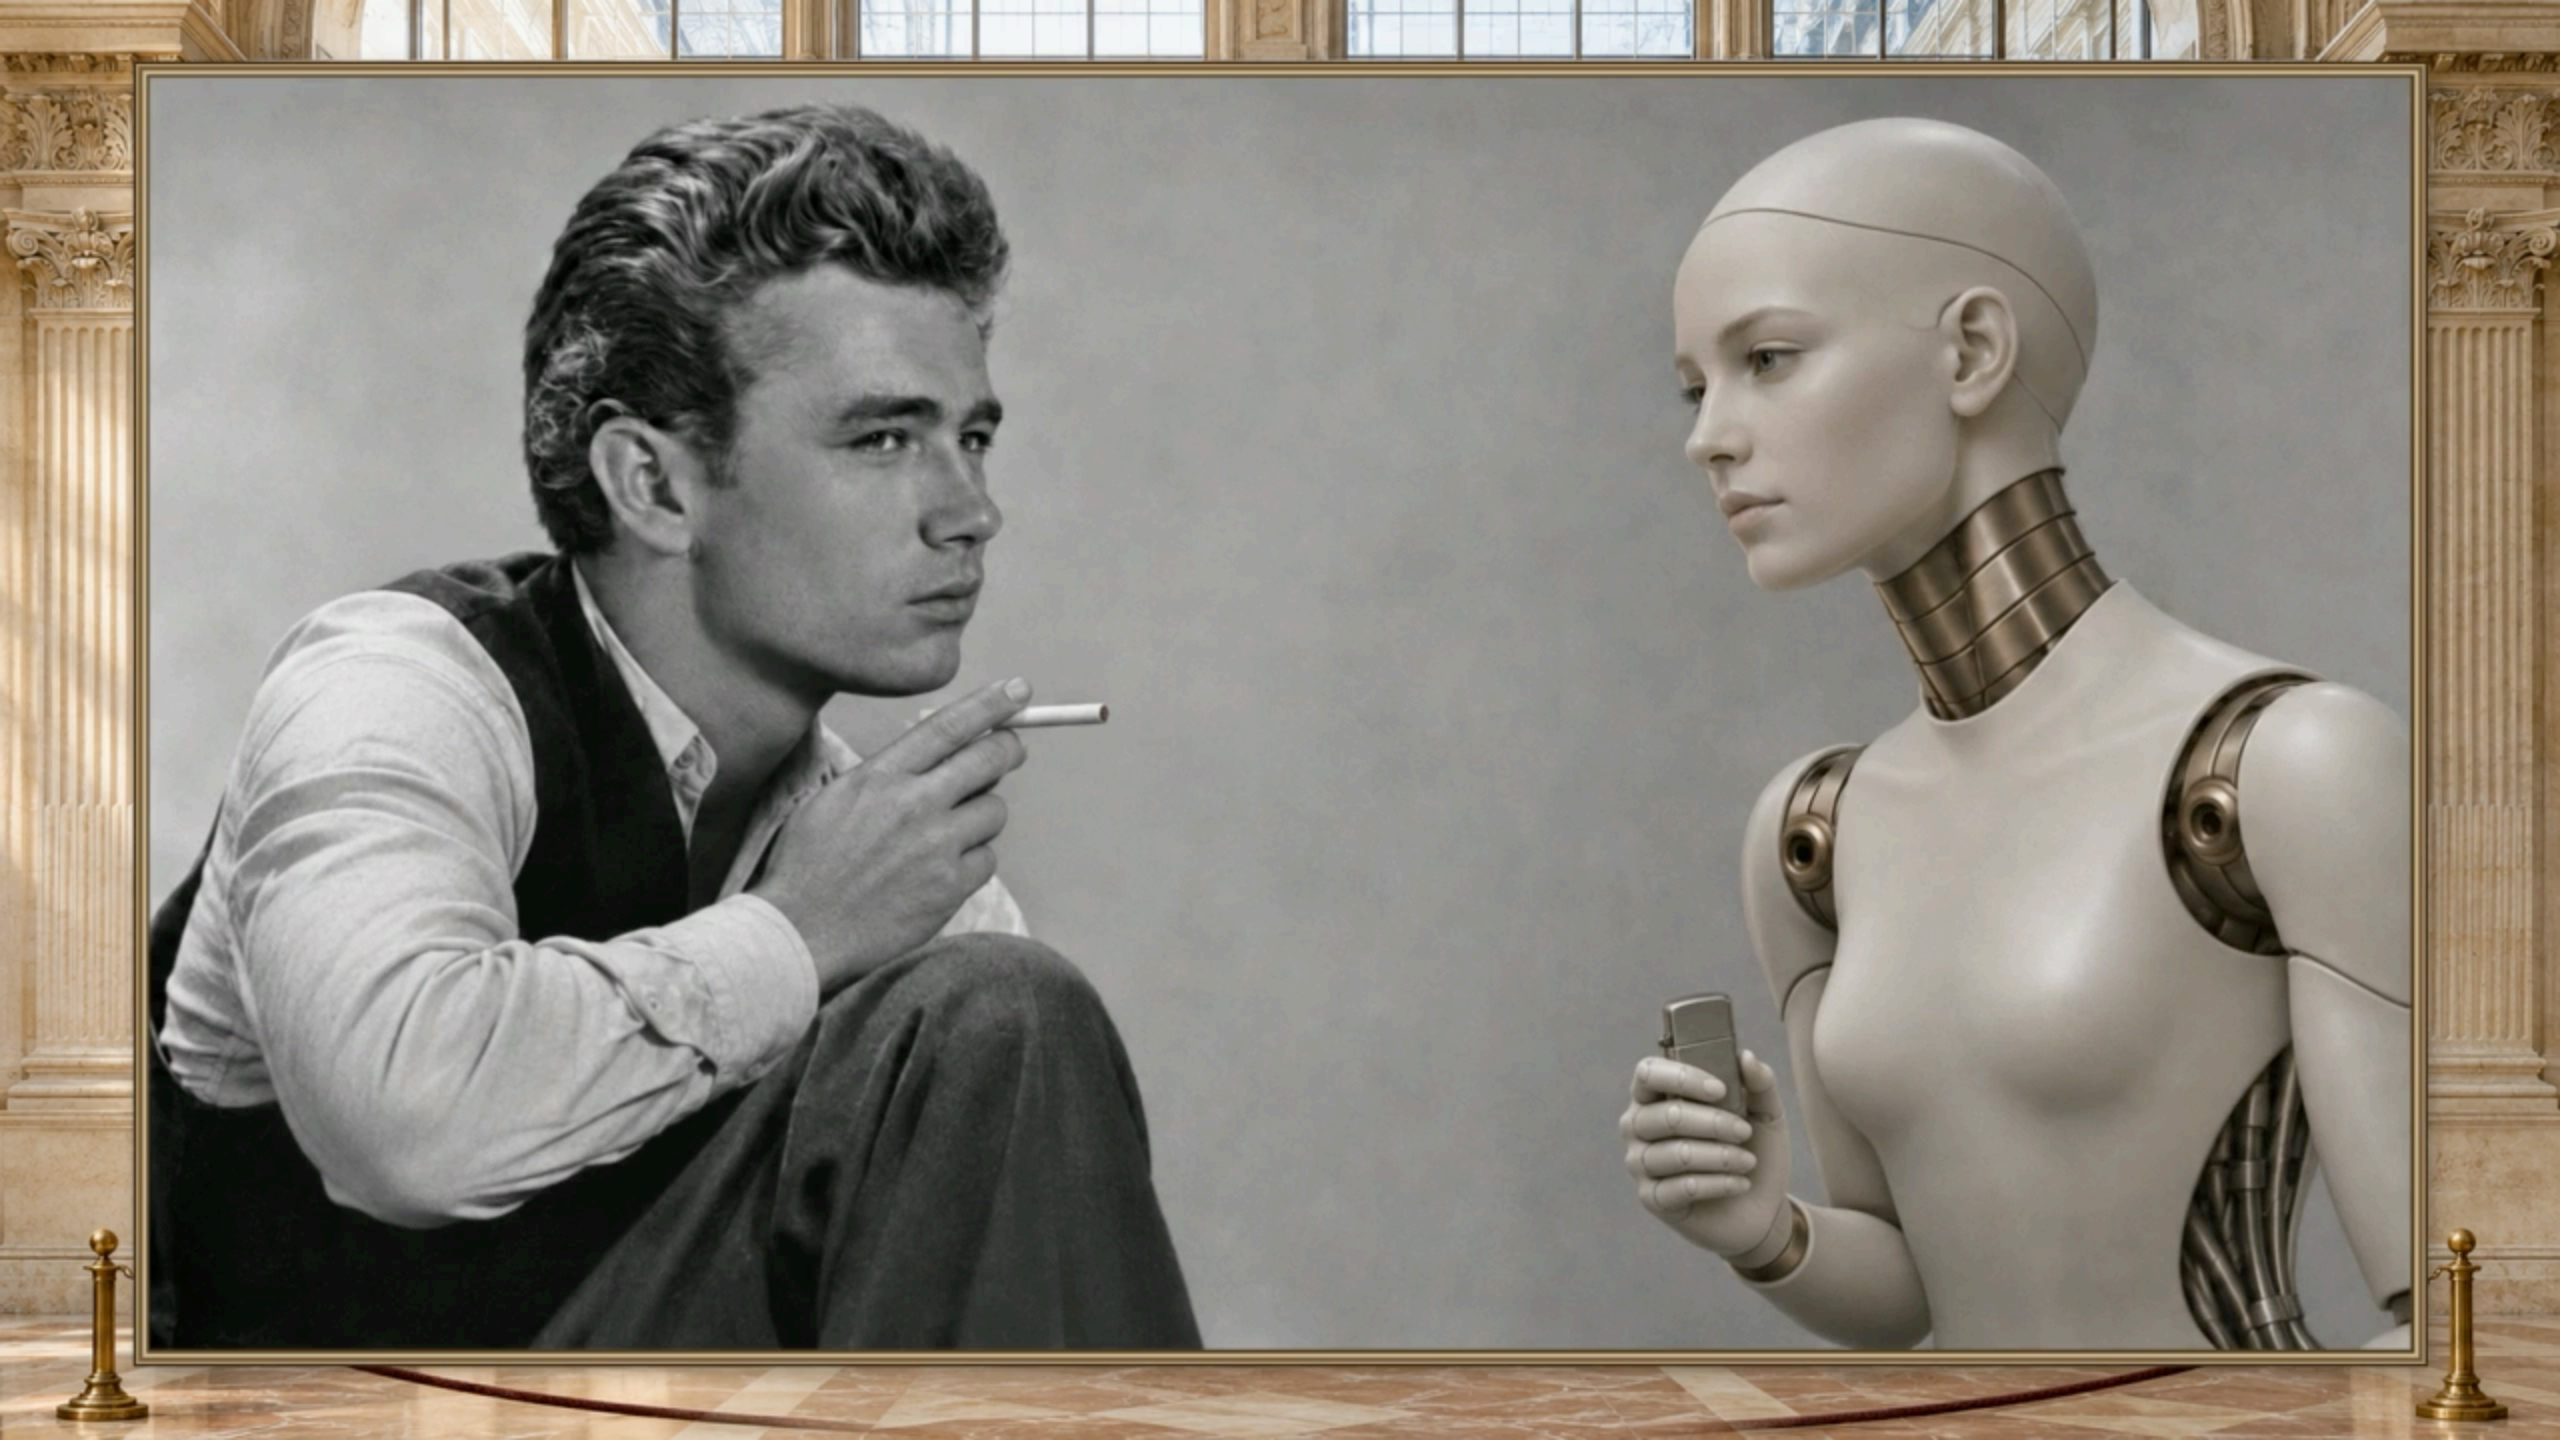

Rehearsing alone

Rehearsing with a person

One person can enter a virtual rehearsal.

Webcam / Quest

A real participant

Unreal + Isaac

Shared scene and physics-based rehearsal

Dream → simulated robots

Codex → physical robot

10

parallel simulations

84

Dream attempts in 170 seconds

16 s

Right arm: pick, lift, place, park

It held the cup. It missed the target.

Cup-hold rehearsal

What comes next

Assist intent

Invite more people

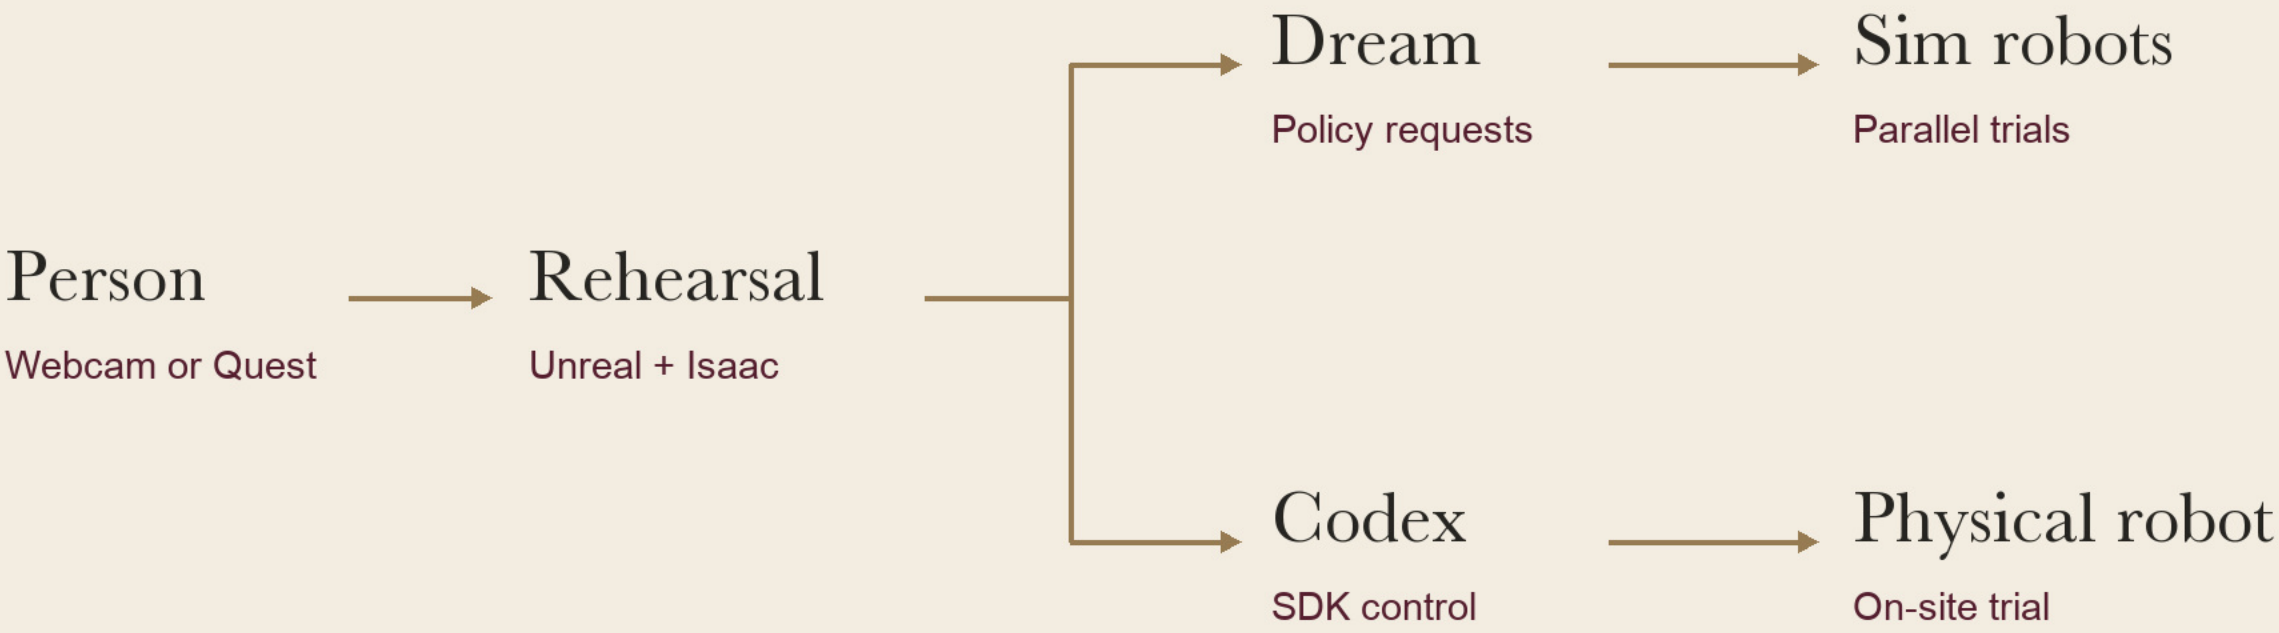

Test transfer

Bring a human into rehearsal.
